

SHOP SMALL CAMPAIGN November 14—December 16

The Wytheville-Wythe-Bland Chamber of Commerce 2016 “Shop Small Campaign” will kick off on Monday, November 14th and run through Small Business Saturday on November 26th and beyond.

As a business member of the Chamber of Commerce, the “Shop Small Campaign” program is a free benefit and great advantage of being a member.

The 2016 “Shop Small Campaign” program will also include a local hashtag contest. We are encouraging businesses and consumers to post with #CommerceWytheBland. There will be a first place winner for the business with the most hashtags posted and a first place winner for the consumer with the most hashtags posted. Winners will be announced December 3rd. The business with the most posts will receive a free 2017 membership—over a \$130 value! The consumer with the most posts will receive a \$100 Chamber gift certificate! Participants must be 18 or older to be eligible.

We’re proud to be a major supporter of small business and we are proud to support our community.

When you shop at local small businesses, you help our community grow. Together let’s help strengthen our community by continuing to support the Shop Small ® initiative all year. But especially on November 26, consider shopping with small, local businesses (find a list of those that are members of the Chamber on the opposite side.)

The WWB Chamber is based on small business; in fact 92% of our membership is comprised of small businesses.
