The *2018 Chamber of Commerce Community Profile and Reference Guide* will continue to feature information on the dynamic areas of Wytheville, Rural Retreat, Bland and Wythe Counties and our supportive business partners. The magazine-style publication will feature photos from our photo contest that will tell our story and welcome everyone to visit, live, work, play and shop. Reserve a space in your favorite section to promote your business.

The *Chamber of Commerce Community Profile and Reference Guide* will be mailed to all 400 members, who would love to do business with you, as well as distributed to government offices, realtors, hospitals, schools, visitor/information centers, businesses and others. This publication is used to recruit employees, doctors, industries, small businesses, etc., plus we mail out copies to those looking to relocate and visit the area.

MetroMedia is a proud member of the Chamber and will be publishing our directory. Contact Ms. Kathy Anthony to secure the best placement in our 2018 publication:

In addition to the numerous readers learning about your business in our print publication, we will have an enhanced digital edition of the guide to be sent to all members and their employees. The digital edition will present your ad, member listing and all the stories and content in a format just as easy as reading the actual book. No zooming or pinching. The digital edition will highlight members, and include photos and news about our community and more.

Thank you for supporting the Chamber and helping us spread the word about our amazing area.

Sincerely,

*Jennifer Atwell*
