The 2020 Chamber of Commerce Community Profile and Reference Guide will feature information on the dynamic areas of Wytheville, Rural Retreat, Wythe County, Bland County, and our supportive business partners. The magazine style publication will feature photos that will tell our story and welcome everyone to visit, live, work, play, and shop. The publication will have sections on tourism, commerce, health, education, history, recreation, agriculture, community profiles, and more. Reserve a space in your favorite section to promote your business.

The Wytheville-Wythe-Bland Chamber of Commerce Community Profile and Reference Guide will be mailed to all 400 members, who would love to do business with you, as well as distributed to government offices, realtors, hospitals, schools, visitor centers, manufacturers, businesses, and others. This publication is used to recruit employees, doctors, businesses, etc., plus we mail out copies to those looking to relocate to the area.

MetroMedia is a proud member of the Chamber and will be publishing our directory. Contact Ms. Tammie Easson to secure the best placement in our 2020 publication: teasson@metromediapublishers.com / 417-629-7935.

In addition to the numerous readers learning about your business in our print publication, we will again have an enhanced digital edition of the book. The digital edition will present your ad, member listing and all the stories and content in a format just as easy as reading the actual book. No zooming or pinching. The digital edition will highlight members, include photos and news about our community and more.

Thank you for supporting the Chamber and helping us spread the word about our amazing area.

Sincerely,

Jennifer W. Atwell
